The most recent version of the Area Committee Expense Voucher form shall be used.

- E. Officers, Standing Committee Chairpersons, and Special Assignment Coordinators will be reimbursed a maximum amount, approved by the Area Assembly, per day for meals (all inclusive) and the reasonable cost of a hotel room for each Area Committee meeting or Area Assembly attended. Where Area Officers, Standing Committee Chairpersons, and Special Assignment Coordinators submit vouchers for required travel on Area Committee business other than Area Committee Meetings and Area Assemblies, reimbursement is charged to their office or committee budget rather than to the Area Committee travel budget.
- F. The Area Committee fiscal year is from January 1st through December 31st each year. Therefore, all expenses claimed must reach the Treasurer by January 31st of the year after the expense was incurred in order to be payable and posted to the proper accounting period as all accounts will be closed on January 31st.

APPENDIX: VIRGINIA AREA PARLIAMENTARY PROCEDURES

The Twelfth Concept reads (in part): “The Conference [for us, the Virginia Area Assembly] shall observe the spirit of A.A. tradition taking care...that it reach all important decisions by discussion, vote, and whenever possible by substantial unanimity...”

As elected representatives of local A.A. groups in the Virginia Area, one of our responsibilities is to strive to provide the voice of the group conscience of Virginia Area. The function of the procedures below is to make it possible for us to discharge this responsibility effectively in a limited period of time.

The Virginia Area Assembly operates under as few rules as possible, but a few procedural rules mixed with our usual informality can help to get the business done in an orderly fashion. Below are excerpts from “Special Conference Rules” of the General Service Conference and specific Robert’s Rules, plus several of our own that we often use.

1. The voting members of the Virginia Area Assembly are the General Service Representatives (GSRs), District Committee Members (DCMs), Area Standing Committee Chairpersons, Special Assignment Coordinators, Area Officers, the Alternate Delegate and Delegate.
2. A quorum for an Area Assembly shall be the number of voting members present at the time a vote is taken.
3. All issues or motions must be submitted to the Area Chairperson in writing in order to be considered for vote by the Assembly.
4. As stated in the Twelfth Concept, important matters should be decided by “substantial unanimity”. Substantial unanimity shall be considered to be a two-thirds majority. A matter shall be considered “important” by a sense of the Assembly.
5. Voting is by a show of hands, except when the Assembly is exercising Third Legacy Procedures (see Section 8 of the Virginia Area Service Structure in the Virginia Area Service Manual).
6. Any motion to limit debate (“Calling the question”) requires a two-thirds majority. After the motion to limit debate is made from the floor, discussion ceases and an immediate vote is taken on whether to limit debate. (“Calling the question” in and of itself does not end discussion on the issue at hand. It suspends discussion while the Assembly determines whether two-thirds of its members want to end

the discussion). If two-thirds majority is not reached, then discussion on the original motion/issue resumes. Full discussion of a motion/issue should take place to reach an informed decision before a motion to limit debate is presented and a vote is taken on that motion to limit debate.

7. A motion to postpone discussion and vote to a later time (“table the motion”) requires a simple majority. A motion may be tabled for discussion later in the current Assembly, tabled for discussion at the next Assembly, or tabled and sent back to committee for further discussion.
8. After a motion has been accepted or rejected, those who voted in the minority will always be given the opportunity to speak to their position (Concept V-Minority opinion).
9. A request to reconsider a prior vote can be made only by someone who voted with the prevailing side on the initial motion and wishes to change their vote. Only a simple majority is required for reconsideration. No motion can be reconsidered twice. A request to reconsider may be made on the day of debate or the day immediately following.
10. Speakers in line at the microphone are called in order and limited to two minutes of comments on the motion/issue at hand. No one may speak for a second time on a motion/issue until all who wish to have spoken for the first time.
